

1940's Japan

Diego D, Wyatt F

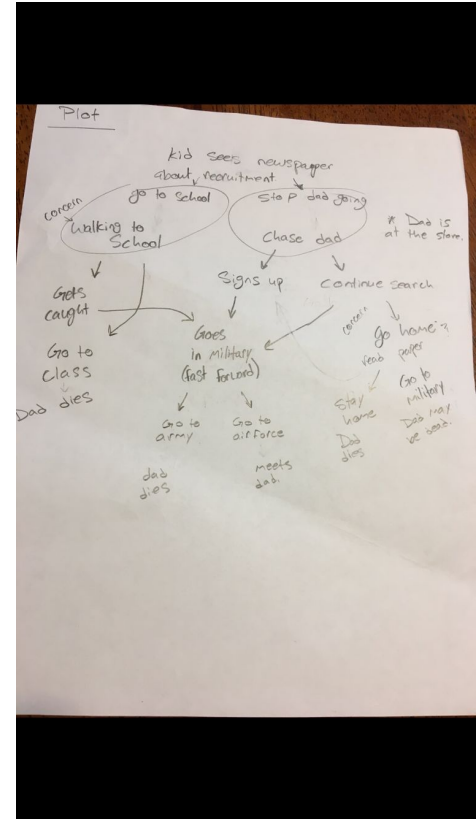

How were they fairing?

CYOA

<https://cyoadiegowatt.weebly.com>

You play a boy that lives in 1940's Hiroshima, Japan. People are being drafted into the military and your dad whom you love dearly, could be next. Do you try to save your dad and prevent him from going to war? Do you join him? Do you go to school and let life take its course? In this unpredictable story, a boy ventures among the chaos and suppression of the period.

Painting Artifact
